Assistant Stage Manager Gabi Satterfield

Did you know?

The EHS Theatre program is supported solely by ticket sales and donations. Students in our theatre classes, our drama club, and our troupe of the International Thespian Society act in, design, direct, and produce several productions each year, including a full length play each fall, a full length musical each spring, an interactive murder mystery event, and a competition play. Several students also compete in individual events at our state Thespian festival, and the program is growing in participation, involvement, and number of productions each year. All of this on a subsistence budget. The county school system provides no additional money to the school for the use of the theatre program, so all of the funding for our productions comes from ticket sales, fundraising by the students, and private donations. While the lack of funding has forced us to be inventive and resourceful with sets and costumes, it has worked fairly well for the payment of rights and royalties, but most of our equipment, including most of our lighting, is more than twenty years old and in a state of disrepair, and most of our tools for set construction are personal tools brought from home. Your donations allow us to update our equipment and tools and provide a better experience for students interested in pursuing technical theatre in college or as a career in addition to creating more spectacular productions and attracting more public interest in our shows.

Please consider making a donation at the concessions table or email mstaylor@k12.wv.us to arrange a larger donation or to receive a tax receipt.
